My dear Girls,

It's a long time since I have used that expression, "My dear Girls", but I am using it now and mean it literally. I'm sure you all realize that the memory of my years at King's Hall is very precious to me.

During the last few years I have been impressed and delighted to realize the active interest which many of you take in public affairs. One King's Hall Old Girl received

CALLING ALL ALUMNI

Come and make Thanksgiving 1986 the most memorable ever at BCS. Your 150th Committee is putting together a great program and all that is needed is lots of grads to enjoy it. And there will be plenty to enjoy: alumnae/i sports in which all can participate; a steer roast and dance with live music; a very special Chapel Service; finally, the pièce de résistance, a cabaret, to bring back the best and funniest of BCS nostalgia.

Remember Miss Gillard's most famous sayings? Remember the BCS-Compton dances? Want to know the truth about the BCS-Compton merger? Come and let Mary Iversen, Tim Porteous and the

the celebrated Order of Canada Award and another was appointed Canadian Consul General to Los Angeles, a position which she is filling with outstanding success.

Living in North Hatley, I'm fairly closely in touch with BCS and am thrilled to report that five Old Girls are members of the Board of Directors, one of whom is the Chairman. The wife of the Headmaster is an Old Girl. The President of the Alumni Association is an Old Girl. The Editor of the Bulletin is an Old Girl.

Sad as it seemed at the time of the amalgamation of the two Schools, the decision has proved to be highly successful — the girls are very happy at BCS and have proved to be more than a match for the boys in the academics and sports fields.

BCS considers the Old Girls of King's Hall to be a vital part of its Alumni and I hope that as many of you as possible will plan to be present at the 150th Anniversary Celebration of the founding of the School.

I enjoy reading of your accomplishments in the world. More power to you, and much love.

Yours affectionately,

Aelaine Gillard

Lew Evanses, senior and junior, show you their hilarious version. Based on the theme "Back To The Future", the show will star Rev. Malcolm and an all-star cast of rank amateurs of all ages — if the lines aren't funny, the players will be!

But the best part is that lots of your old friends will be back at the School and that is what it's all about. So phone up your old housemates, teammates, classmates, smoking mates, drinking buddies, whatever, and make your plans early. Be at the grand 150th Kick-Off!

HEAD PREFECT'S

EDITOR'S NOTE: At prizegiving in June the now traditional Head Prefect's Remarks were not on the programme and the Headmaster, despite the best of intentions, forgot to pencil in a note to himself. With apologies to Andrew Hall for the mistake, here is the text of his address.

Madam Chairman, Ladies and Gentlemen of the Board, Headmaster, Distinguished Guests, Fellow Students:

As commencement exercises draw to a close, I am pleased to report that this year has been a success. In the classroom and on the playing field, BCS has been, and will continue to be, a leader. After sixth form I had many options available. Happily I received a good deal of support and encouragement from my teachers and friends to explore these alternatives. One of the strengths of this School is that it challenges us to face our responsibilities. We are encouraged to learn through experience and participation. I chose to return for seventh form because Bishop's offered the best opportunity to grow and mature as an individual involved in the community. It has been a cherished experience and one which did help me to mature a great deal.

CLOSING ADDRESS

I would like to thank you, Mr. Cruickshank, the staff, my fellow prefects, and the School for all you have done to make this year a most memorable one. During my six years of Bish life, I've met students from all over the globe, been a part of several championship teams, and shared close relationships with many students and staff members. The bad times, which seemed to drag on indefinitely, are now a hazy memory at most. And the many good times have gone by much too quickly. I know I speak for all my fellow graduates when I say that Bishop's, now so familiar, will be sadly missed. Saying good-bye is hard to do.

However, it is time to move on- ward. In our rapidly changing world we cannot sit passively on the sidelines. I feel confident we have been sufficiently prepared to tackle new obstacles and face new challenges. We will never forget our School and the impact it has had on our lives. When we get together in the future and look back we will be filled with happiness. Good luck to all of you and thank you.

Andrew Hall, BCS '86

CALLING ALL PAST-MASTERS

You who have been Masters at BCS in the past, and have gone on to be Headmasters, Professors, and Teachers elsewhere, or who have retired, or who have smartened up and got into a profession where you make money...

Whoever, wherever, whatever you are, come on back on the Saturday and Sunday of Thanksgiving Weekend, '86, when BCS celebrates its 150th year. After all, many of you were there longer than the average student, and played an important part in developing the history of the School.

Old students love to meet again their former Masters, but it is often hard for us to recognize them when they have acquired gray hair, beards, paunches, wives, children, grandchildren, and other benefits of the education you gave them. But it

will be made easy for you — they will be labelled by name and year in large letters — okay?

A word of warning to those of you who left before '72: If you see a beautiful girl going into the First Football Team Locker Room, don't rush to save her from a fate worse than death. It is now probably the Girls' First Soccer Team Locker Room.

So, short or long term of service, come if you possibly can, see again old colleagues and students, and be assured of a very warm welcome from BCS.

Let me add a personal plea: as an old, retired, and long-time member of the staff, I would love to see you all again. Soyez les bienvenus!

R. Lewis Evans

Uncle Lew at ease.

A special invitation to all former King's Hall staff members to return for the festivities is issued with similar fervour by the Old Girls.

Anyone who would like to participate in the Cabaret, please call **Kim Laliberté** at the BCS Development Office,

Baby-sitting services at the School will be provided throughout the weekend by BCS students.
